SPEAKER: **Jeffery Hicks**

PETRI
WE GET IT

Build It With PowerShell

- **You Manage Things**
  - Active Directory
  - Azure, Hyper-V, or VMware
  - Microsoft 365
- **People Want Information**
  - Summary reports
  - Details for troubleshooting
  - Periodic reports

Start with a basic PowerShell command…

Focus on objects not text

SESSION: **PowerShell Reporting Tips & Tricks**

SPEAKER: **Jeffery Hicks**

Options

- ✓ Formatted, on-screen reports
- ✓ Text files
- ✓ Structured data
- ✓ HTML
